	PAGE
ADDAMS, HOMER, Discussion on Standard Method of Testing Heating Boilers	93
Address by President	14, 383
Address on Sanitation, Heating and Ventilation at the Front, by LIEUT.-COL. T. E. POWERS	347
Address on the Engineer in War, by CAPT. O. N. SOLBERT	341
Air Chart, Synthetic, by DR. E. V. HILL	225
Air Chart, Synthetic, and Ventilation Standards, by DR. E. V. HILL.....	607
Air Conditioning, Effect of upon Munitions Manufacture (Presidential Address), by J. IRVINE LYLE	383
Air Conditioning, The Use of the Refrigeration in, by LEE NUSBAUM.....	671
Air Measurements and Air Flow, A Study in, by ARTHUR K. OHMES.....	595
Air Washers. Report of Committee on Standard Method of Testing	407
Alfalfa, Mechanical Curing of, by E. M. BASSLER.....	561
ALLEN, JOHN R., Comparison of Pipe Coils and Cast Iron Sections for Warming Air	141
Discussion on Efficiency of Underground Conduit.....	185
Discussion on Heat Transmission Through Various Types of Sash	224
Discussion of Report of Committee on Research Bureau.....	326
Discussion on Warm Air Furnace Heating	86
Discussion on Standard Method of Testing Heating Boilers.....	94
Discussion on Transmission of Steam in Central Heating System	172
Annual Meeting, Proceedings of the Twenty-Third	13
Apparatus, Ventilating, An Improvement in, by WILLIAM J. BALDWIN.....	211
Application for Charter for Kansas City Chapter	44
Army Barracks, Ventilation of, by W. J. MAUER.....	431
Artificial Drying with Special Reference to the Use of Gas, by GILBERT C. SHADWELL	231
Atmospheric Conditions, Testing of, and Ventilating Equipment, by D. D. KIMBALL, J. I. LYLE and A. K. OHMES.....	453
BALDWIN, WM. J., An Improvement in Ventilating Apparatus.....	211
Discussion on Heat Transmission Through Various Types of Sash	222
Discussion on the Synthetic Air Chart	229
BARR, GEO. W., Discussion of Report of Committee on Research Bureau..	324

	PAGE
Barracks, Army, Ventilation of, by W. J. MAUER.....	231
BARWICK, THOMAS, Discussion on Standard Method of Testing Heating Boilers	99
BASSLER, E. M., Mechanical Curing of Alfalfa	561
BISHOP, CHAS R., Discussion on Synthetic Air Chart.....	230
BLACKMORE, J. J., Discussion on Durability of Materials for Conveying Steam, Air and Water	123
Discussion of Elimination of Corrosion in Hot Water Supply Pipe	137
Discussion of Comparison of Pipe Coils and Cast Iron Sections for Warming Air	159
BLANEY, C. A., Discussion of Report of Committee on Research Bureau..	325
Boilers, Testing Heating, Standard Method of, Report of Committee of New York Chapter	87
BOYDEN, DAVIS S., Discussion on Heating and Ventilating Equipments of Philadelphia Public Schools	292
Car Heating, Railway Passenger, by ELMER W. RIETZ.....	65
CARPENTER, R. C., Discussion on the Synthetic Air Chart.....	228
CARRIER, W. H., Discussion of Elimination of Corrosion in Hot Water Supply Pipe	137
Discussion of Comparison of Pipe Coils and Cast Iron Sections for Warming Air	159
Discussion on Artificial Drying with the Use of Gas	252
Discussion of Papers on Drying	275
CASELL, J. D., Heating, Ventilating and Electrical Equipments of the Philadelphia Public School Buildings	281
Discussion on Standard Method of Testing Heating Boilers.....	100
Discussion on Heating and Ventilating a Portable School House	303
Central Heating System, Transmission of Steam in, by J. H. WALKER..	161
Chapter, Illinois, Annual Report of.....	365
Chapter, Kansas City, Annual Report of.....	367
Chapter, Kansas City, Application for Charter for.....	44
Chapter, Massachusetts, Annual Report of.....	369
Chapter, Michigan, Annual Report of	370
Chapter, New York, Annual Report of.....	372
Chapter, Ohio, Annual Report of.....	376
Chapter, Eastern Pennsylvania, Annual Report of.....	377
Chapters, Local, Report of Committee on Charter for.....	334

	PAGE
Chart, Synthetic Air, by DR. E. V. HILL.....	225
Chart, Synthetic Air, and Ventilation Standards, by DR. E. V. HILL.....	607
Charter for Local Chapters, Report of Committee on.....	334
CHEW, FRANK K., Discussion on Standard Method of Testing Heating Boilers.....	108
Discussion on Dehydration.....	519
Discussion on Durability of Materials for Conveying Steam, Air and Water.....	121
Discussion on Synthetic Air Chart.....	229
Discussion of Report of Committee on Research Bureau.....	324
Coils, Pipe, and Cast Iron Sections for Warming Air, Comparison of, by JOHN R. ALLEN.....	141
COLLAMORE, RALPH, Discussion of Transmission of Steam in Central Heating System.....	172
Discussion of Report of Committee on Research Bureau.....	329
Discussion on Mechanical Curing of Alfalfa.....	565
COLLINS, J. B., Discussion on Improvement in Ventilating Apparatus....	218
Committee on Charter for Local Chapters, Report of.....	334
Committee on Engineering Cooperation, Report of.....	393
Committee on Research Bureau, Report of.....	322
Committee on School House Standards, Report of.....	411
Committee on Standard Method of Testing Air Washers, Report of.....	407
Conditioning, Air, Effect of, upon Munitions Manufacture (Presidential Address), by J. IRVINE LYLE.....	383
Conditioning, Air, The Use of Refrigeration in, by LEE NUSBAUM.....	671
Conduit, Underground, Efficiency of, by GEO. B. NICHOLS.....	173
COOLEY, M. S., Discussion on Improvement in Ventilating Apparatus....	218
Discussion on Heat Transmission Through Various Types of Sash.....	224
Cooperation Between the National District Heating Association and the Society, by D. L. GASKILL.....	585
Cooperation, Engineering, Report of Committee on.....	393
Corrosion in Hot Water Supply Pipe, A Method for Practical Elimination of, by F. N. SPELLER.....	125
Council, Report of.....	17
Crane Co., Chicago Works, Hot Water Heating System of, by F. E. McCREARY.....	415
Curing of Alfalfa, Mechanical, by E. M. BASSLER.....	561
DAVIS, F. K., Discussion of Railway Passenger Car Heating.....	79
Discussion of Papers on Drying.....	275
Discussion on Heat Transmission Through Various Types of Sash.....	222
Discussion on Standard Method of Testing Heating Boilers.....	99

	PAGE
DAVIS, JAMES H., Discussion on Ventilation of Army Barracks.....	447
Discussion on Mechanical Curing of Alfalfa	564
Discussion on Durability of Materials for Conveying Steam, Air and Water	123
Discussion on Artificial Drying with the Use of Gas.....	250
Discussion of Elimination of Corrosion in Hot Water Supply Pipe	137
Discussion of Railway Passenger Car Heating	80
Discussion of Report of Committee on Research Bureau.....	331
DEBOOS, F. A., Operation of Diaphragm Radiator Valves, Thermostatically Controlled	649
Dehydrating Fruits and Vegetables, by FRED. R. STILL.....	529
Dehydration, by H. C. GORE	511
Deserts, Are School Rooms Drier Than, by GEORGE T. PALMER.....	629
Diaphragm Radiator Valves, Thermostatically Controlled, Operation of, by F. A. DEBOOS	649
DONNELLY, JAMES A., Discussion on Standard Method of Testing Heating Boilers	98
Discussion of Report of Committee on Research Bureau.....	325
Discussion on the Fuel Problem in the United States.....	582
Drying, Artificial, with Special Reference to the Use of Gas, by GILBERT C. SHADWELL	231
Drying by Evaporation, by FRED. R. STILL	255
Drying, Discussion of Papers on	273, 549
Drying in Industrial Plants, by J. O. ROSS.....	265
Drying Money, by H. C. RUSSELL	571
Drying of Fruits and Vegetables, by WALTER M. SCHWARTZ.....	545
Drying, Preservation of Food Products by, by GILBERT C. SHADWELL....	537
Durability of Materials Conveying Steam, Air and Water, by ARTHUR K. OHMES	109
EDWARDS, W. D., Discussion of Papers on Drying.....	551
Discussion on Dehydration	526
Efficiency of Underground Conduit, by GEO. B. NICHOLS.....	173
Elbows and Pipes, Iron, Friction of Water in, by F. E. GIESECKE.....	499
Election, Tellers of, Report of	46
Engineering Cooperation, Report of Committee on	393
Engineer in War, Address on the, by CAPT. O. N. SOLBERT.....	341
Errata	679
